## About Warwick – A Singing Town

**Warwick – A Singing Town**, is a unique, philanthropically-funded project to promote singing as part of the artistic and cultural post-pandemic renewal in Warwick. Through free, high-quality singing and choral opportunities in schools, sharing information about local singing and choral opportunities for all town residents, and bespoke partnerships with groups who may benefit from the therapeutic aspects of singing – our goal is for singing to be better understood, promoted, and available to all residents.
