Big Local Night Out

Singing workshops

Warwick – A Singing Town starts its second year after a very exciting and busy first year.

Highlights included singing with over 1,600 children in our partner schools, setting up our very first ‘Sing for Joy’ singing group in partnership with Chase Meadow community centre and our support for local choirs through the very first **Warwick Choral Festival**.

We have so much to look forward to this year and I hope you will continue to support us and look out for **Warwick – A Singing Town** events.

About Warwick – A Singing Town

Warwick – A Singing Town, is a unique, philanthropically-funded project to promote singing as part of the artistic and cultural post-pandemic renewal in Warwick. Through free, high-quality singing and choral opportunities in schools, sharing information about local singing and choral opportunities for all town residents, and bespoke partnerships with groups who may benefit from the therapeutic aspects of singing – our goal is for singing to be better understood, promoted, and available to all residents.

The Best of British

Our third FREE singing workshop took place at Warwick Hall on Sunday 2nd October 2022 and was directed by the Principal of Warwick Independent Schools Foundation Richard Nicholson.

Richard was a chorister at Southwell Minster and read music at Pembroke College, Oxford where he was also the organ scholar. As well as being a former school director of music, Richard has also conducted professional choirs and amateur choral societies – and loves both!

Once again an enthusiastic group of singers gathered at 10.00am to sing choruses from *St. Nicolas* by Britten and *Adiemus* by Karl Jenkins.

Our fourth FREE singing workshop is on Sunday 7th May 2023 at Warwick Hall and promises to be very special.

We will be exploring the benefits of singing on health and wellbeing through a range of practical singing activities throughout the day.
